Members,

I, Anthony Pinto, President of Unione e Fratellanza Oratinese, a member in good standing, would like to make the following proposal. This proposal was originally proposed in December by Cynthia Fatica Alfieri and seconded by Lisa Fatica Grisafo. Our member, Anthony Polizzi, has been selected to participate in the 3rd Annual Italian American Future Leaders Conference in Fort Lauderdale, Florida from January 17 through January 20, 2025. What an honor to represent our club. My proposal is for the club to pay for the cost of airfare, which is \$343.40 as well as his Lyft from the airport to the hotel and back to the airport from the hotel, which is \$57.75. Total reimbursement to Anthony is \$401.15.

Thanks,

Proposal # 4

Members,

I, Anthony Pinto, President of Unione e Fratellanza Oratinese, a member in good standing, would like to make the following proposal. I would like to propose that our club dedicate a tree and plaque to Oratino commemorating our 100 Year Anniversary. Loredana Latessa is the Mayor of Oratino and she has recommended a medium sized Gingko Biloba tree at around four hundred (400) Euros, which comes out to around \$437.00 United States dollars. The 9 x 12 bronze or brass plaque engraved will cost \$700.00. It will be engraved out in Italian and English. I have left it up to the Mayor to find a nice place for the tree and plaque for all to see. So, we are roughly looking at \$1,150.00. Our roots started in Oratino and we honor that by dedicating the tree and plaque.

Thanks,
